Virtual Incubator Program

Apply to be one of the three companies accepted into our inaugural three month incubator program.

You'll get excellent support from one of our top-rated mentors. We will provide you with hands-on support in crafting your business plan. We will provide you with a financial model that includes an annual budget, annual cash flow statement, risk assessment, 3-year profit and loss statement and a balance sheet.

We will also teach you about the stages of funding - Pre-Seed, Seed, Series A, Series B, Series C and IPO's

After that you'll learn how to create an effective Pitch Deck with everything culminating in PitchFest Night.

That's right, you'll be one of three companies that will pitch your business to entrepreneurs, investors, college faculty, & corporate executives
